Dear Vicki & Jimmy - Here
we are in a nice motel
the beach in Rockaway.
The weather is perfect & the
ocean just beautiful. We
arrived Tues. night & will
stay tonight also. Thurs. we
are going farther down the
coast and stop in Corvallis
& drive around the campus
down to Newport for break-
fast and stay over night
some place and get back home
Friday. Wish you were with
us.

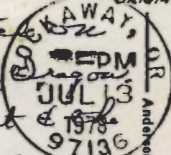

Love, Mom & Dad

Some of very beautiful off-shore rocks along High-
way 101.

We are where the rocks are.
